ALL DOGS MUST BE CURRENT ON THE FOLLOWING:

Distemper/Parvo Vaccination
Rabies Vaccination
Influenza Vaccination
Bordetella (if never received, would need to be administered 72 hrs prior to boarding)
Negative Fecal in the last 6 months

We pride ourselves on keeping our kennel flea free, therefore all dogs admitted are treated with Capstar to ensure a flea free environment for your pet. This is a non-toxic caplet given once orally on the way in and 100% effective at killing adult fleas within hours of consumption (\$12.50)

MEDICATION/ DIETARY INFORMATION:

Please note we are not a medical boarding kennel and staff is not on premises overnight. We can only board pets that do not need 24 hour supervision for serious medical conditions.

We recommend that your dog stay on their regular diet to ensure there is no gastrointestinal upset.

All dogs are individually walked outdoors in our fenced in backyard at least four times daily for fresh air and exercise! Bedding is provided for your pets comfort ☺

Boarding Fees:

Bed & Breakfast Stay (up to 60 lbs.).....\$57/night
Bed & Breakfast Stay (61 to 90 lbs.).....\$61/night
Bed & Breakfast Stay (over 90 lbs.)..... \$65/night

*Boarding fees are subject to NJ State Sales Tax

Day Care is \$36.00

Montvale Animal Hospital reserves the right to keep dogs overnight that are not picked up by closing, and incur the appropriate boarding fee at pick up.
